ABOUT US

Integrated shipping solutions, built on experience

Founded in 2015, Crescent Freight Shipping, Logistics & Customs Clearance Company provides integrated shipping solutions in Egypt. Since day one, we have been committed to high-quality services that meet our clients' needs and help them achieve their business goals.

With more than ten years in the Egyptian market and a senior management team bringing over 15 years of experience, we understand the shipping needs — and the challenges — that businesses in Egypt face.

> **We don't just move your goods from one place to another. We give you an integrated set of services that simplifies your supply chain and makes your logistics more efficient.**

WHAT DRIVES US

Vision, mission and goal

01

Our vision

To be the leading shipping and logistics company in Egypt and the Arab world, recognised for innovative, efficient logistics solutions that meet our clients' needs and help their businesses grow.

02

Our mission

To provide integrated, reliable shipping, logistics and customs clearance services to the highest standards of quality and efficiency, with solutions tailored to each client and a real contribution to international trade.

03

Our goal

To facilitate international trade and support our clients' growth through integrated, cost-effective, reliable logistics solutions built around their individual needs.

OUR VALUES

The principles behind every shipment

Five values shape how we work with every client and every shipment — from the first enquiry to final delivery.

01

Customer excellence

Client satisfaction comes first. We aim to deliver exceptional service that exceeds expectations.

02

Integrity & transparency

We deal honestly and openly with all our clients and partners.

03

Teamwork

Collaboration is how we reach our shared goals.

04

Innovation & development

We keep improving our services and building new solutions for a changing market.

05

Social responsibility

We run our business responsibly and contribute to community development.

OUR SERVICES

Every mode of transport, one trusted team
